

# Strategic Plan 2021-2023

## Our Vision

CBSHS students are respectful, resilient and will aspire to achieve excellence.

## Our Moral Purpose

We believe in empowering our students to become independent learners, critical thinkers and problem solvers, in order for them to achieve their academic, social and emotional potential.

## Focus Areas

### Curriculum and Teaching

- Increase levels of student achievement in system tests to 'above like schools'
- Teacher judgements to be 'above like schools' in all learning areas
- Increase 7 & 9 NAPLAN Writing progress
- Increase regular attendance
- Build differentiation into curriculum

### Leadership and Management

- Build consistent teaching strategies across school
- Culture of professional growth, accountability and ownership

### Disciplined Data Capacity

- Increase staff capacity to use data regularly to make professional decisions about student progress
- Increase number of Year 7 students who meet baseline skills in reading, writing and numeracy

- How**
- Use data to build a case for change
  - Have high expectations of student performance
  - Whole of school literacy procedure
  - Case management for SAER
  - Implement student academic intervention plans at individual, sub group and year levels

- Develop knowledge of effective instruction and cognitive science
- Develop agreed whole school instructional framework
- Teachwell team shares best practice
- Develop role clarity and effective professional development process

- Implement regular data review evidenced by differentiated practice
- common assessment tasks across all learning areas
- Develop school review schedule
- Year 7 baseline skills intervention in numeracy, reading and writing

What we want to achieve

How
