

Third Party Service Providers of Online Applications

Our school uses online education resources and cloud based storage to improve student learning or school administration. These providers may require personal information to be disclosed to them relating to both students and parent, such as student name, gender, student ID, age/date of birth, year group, school/teacher, photos, parent details, address and student school email. This information may be stored outside of Australia.

It is important that you understand the reasons why we may provide this information to each respective entity, what will be done with it, who else may have access to it and where the data is stored. This information can be found in the link below referring to each provider's terms and conditions and/or privacy policy.

Please read these and ensure that you understand the implications of using this service. If you have any queries around the storage of student's information, please feel free to contact the school on 9965 8300.

Note: Parents have the option of advising the school that they do not provide consent for their child to access any or all of the listed service providers.
